

Strumenti per l'Espresso

- Thick Display TT

AUTOMATIC 2 gr • 3 gr

With touchpads above the groups and joystick taps,

Optional: LED cup lighting, black matt sides and electronic injection autosteamer

it's a variation of Etnica Display still automatic, with enclosed groups and display, it carries forward the same spirit as the Etnica Display: it embodies the timeless bond between past and future, where history gives birth to innovation, and cutting-edge technology harmonizes with the sounds and soul of a bygone era.
